

Use this Quick Reference Guide to complete a BEACON AMA billing cycle for mobile systems using ORION® Mobile Read, Field Director and BEACON Monitor export.

Continue to next page

### STEP 6

Prepare the billing reads for export to CIS/billing system

#### In BEACON AMA

- Go to the **Monitor** tab
- Click **Actions > New Export**
- Select the **Billing Reads Export** type, set the **Billing Read Date** and **Read Time Tolerance**
- Click **Start Data Export**
- Click **Download Billing File**
- Save the billing file in the desired location using the name required by your billing software

**File Name & Location:** \_\_\_\_\_

### STEP 7

Process the billing reads in CIS/billing system

#### In CIS/billing system

- Process the file from Step 6 using the steps outlined by your CIS/billing system provider

*Repeat the process for each new CIS/billing system file and mobile meter reading cycle.*
